

## **Invitation to Join as Partner Institution**

Construction Industry Development Council, the apex body of the Construction Industry, established by the Planning Commission (now NITI AYO), Govt. of India and the Construction Industry, after successfully supporting the employment of around 6 lakh youth in the Construction Sector, invites applications from Universities/Colleges/Engineering institutes/ Training Providers who are desirous to join hands and become partner institutions of the Council.

The Partner Institutions would set up and run centers which would offer short term/medium term programs related to the Construction Sector. These programs would be based on courses developed by the council and enable the students to develop a practical insight. The students may be supported for internship and subsequent placements based on merit, upon successful completion of the programs. The programs would also enable students, who hitherto, did not have access to formal educational institutions, to participate and join the mainstream and at the same time enable the universities to utilize spare capacities which may be available.

Desirous Institutions may send their EOI on the prescribed format available on [www.cidc.in](http://www.cidc.in) latest by 15<sup>th</sup> November 2016 for screening and shortlisting.

The shortlisted organizations would be invited for a personal interview during the period 01<sup>st</sup> December 2016 to 15<sup>th</sup> December 2016.
