

ECI/CIDC/CIIP/2016

May 4th 2016

Dear Colleague!

I am happy to inform you that the Canadian Immigrant Integration Program (CIIP) has approached the Engineering Council of India to seek expression of interest from the Engineers, who wish to learn how to **immigrate to Canada & work in the province of British Columbia as a licensed engineer.**

CIIP shall be organizing a one-day information session (workshop) in New Delhi & other cities in the country during May & June 2016. **This shall be without any cost.**

In order to be eligible, interested engineer (Any discipline) must have at least 4 years of work experience, be competent in English, and have NOT yet applied for immigration. Approximate number of engineers required are 100.

Enrolled members meeting eligibility criteria, may send their confirmation & the preference of location where they may like to join the session, to ECI secretariat within one week of issue of this mail.

The responses should be sent to in the following format

Shri. Rajiv Ranjan, Officer on Special Duty, ECI, Email: rajiv.ranjancidc@gmail.com

- a. Name
- b. Whether registered with ECI
If yes. Please mention – Registration No
- c. Contact No.
- d. Email Address
- e. Location (Place & State)

Enrolled member are also advised to disseminate this information among their associates/ colleagues, who have not yet registered with ECI to do so at the earliest & take benefit of this opportunity.

Regards

(Dr. P. R. Swarup)

Member Secretary, ECI
