

## **Notice**

All members/experts enrolled with any of the Member Associations of ECI are encouraged to send the technical papers/case studies authored/compiled by them for hosting on ECI's web site.

General guide lines are given below.

- a) The author would have to certify that the work is original & not copied/reproduced.
- b) In case of very voluminous work, only abstracts would be hosted.
- c) Prepared Size should not exceed 3 A4 size sheets.
- d) The topic should be relevant to the Engineers, and could be from any branch/discipline of Engineering.
- e) The author should also send their photograph in JPG format.
- f) The Papers/work received shall be examined by the ECI Editorial Board & those found with acceptable quality would only be hosted.

The decision of the Editorial Board in this regard shall be final.
