

Dear Sir/ Madam,

We are pleased to inform you that **CEAI** is jointly organising with **ICE, UK**, the **Brunel International Lecture on “Transportation Infrastructure and Interdisciplinary Interfaces on Complex Mega-Projects”** in Delhi, at 10:30 am on Saturday **17<sup>th</sup> November 2018** at Shriram Hall, PHD Chamber of Commerce and Industry, PHD House, 4/2 Siri Institutional Area, August Kranti Marg, New Delhi 110016, *Near Siri Fort Auditorium*.

**The Speaker:** *Linda Miller, Construction Director, Sydney Metro Tunnels & Stations Excavation*

*Linda Miller is a Bechtel leader currently serving as Construction Director on the new Sydney Metro Tunnels & Stations Excavation team. Sydney Metro is Australia’s biggest public transport project, which, when complete, will deliver 31 Metro Stations and more than 66 km of new tunnels, including tunnels crossing under the iconic Sydney Harbour.*

*For over 25 years, Linda has worked for Bechtel on significant projects, including a new Space Launch Complex at Cape Canaveral, Florida, the “Big Dig” highway tunnel under Boston, Massachusetts and many other challenges across the globe.*

The Registration Fee for the **Lecture is Rs. 500/-**. Entry will be free for students.

We would request you to use this opportunity to hear an International Expert who is visiting India exclusively for this lecture. Kindly register / nominate delegates from your organisation for the above lecture at the earliest.

The limited seats will be filled on first come first served basis.

Regards,

Prerana Dubey  
Deputy Director
