

Engineering Council of India (ECI)

International Notice : 001/ECI-C/2023/24/25

Date 18/09/2023
New Delhi

Enrolment of Coordinators for Engineering Council of India (ECI)

1. To expand the reach of Engineering Council of India & to professionalize Engineering Profession in India & other Countries where the Engineering graduates from the Indian Institutions are practicing the profession of Engineering in their geographical region, applications are being invited from experienced & senior Professionals to join the cadre of ECI coordinators, in the prescribed format.

It is important to note that ECI has been receiving the expressions of Cooperation from the Regulatory Agencies of several countries, who are keen to introduce ECI systems in their countries and are looking for a dual Certification & Conduct of CPD's with the active involvement of ECI, apart from organizing technical Conferences & such activities in their countries, which shall be handled by enrolled ECI Coordinators. The latest development is the MoU signed between CIDC, one of ECI, prime founding Member & Saudi Contractors Association (SCA).

2. Qualified & experienced Engineers having minimum 30 years of experience in any engineering discipline are encouraged to send their application for enrolment as ECI coordinators to operate in their base region, both in India & abroad. ECI desires a representative from all States & Union Territories and anticipate an initial strength of over 500 such coordinators.
3. The role of Coordinators, their responsibilities, the resource generation potential & the code of ethics for their operations is being hosted on the ECI website. Desirous candidates may download the application form & go through the details defined above.
4. Desirous persons meeting eligibility condition send their applications to:-

- a. Shri. Praveen Tiwari
Dy. Director, CIDC
Mob: +91 98184 19039; Email: ptiwari11@gmail.com

- b. Shri. B. R. Jain
Sr. Advisor, ECI
Mob: +91 93131 90011; Email: brjeci@gmail.com

About ECI : Engineering Council of India (ECI) was established on April 4, 2002, as the Apex Body of engineering profession in India, by coming together of a large number of Professional Organizations /Institutions of Engineers to work for the advancement of engineering profession in various disciplines and for enhancing the image of engineers in society, by focusing on quality and accountability of engineers. Today there are 40 members, which includes 8 Government Departments and 32 Indian Engineering Professional Associations/ Institutions representing practically all engineering streams. Information regarding ECI is available at www.ecindia.org .
